Sew Confident!

2019 Wardrobe Tour

NEW YEAR, NEW CONCEPT

- Sew Confident! 2019 Wardrobe Tour is inspired by Linda's travels. In the past few years she has been to France, England and Italy. At each stop she studied how people dress and searched for designs that are both fashion-forward but wearable for every age and body type.

- Each quarterly tutorial will include suggestions for sewing various pieces throughout the year. This includes **six brand-new patterns** designed for this collection, as well as variations on some classic Sewing Workshop favorites.

- This collection builds on wardrobe suggestions from the Sew Confident! 2018 system dressing concept — but can also stand alone.
