---

The Tamari Apron is a great year round accessory for all ages! It also can also be layered and worn as a garment! Asymmetric apron has single patch pocket, angled hemline and single shoulder tie.

*Idea: Be creative with this pattern. Try using decorative ribbons across the pocket and along the ties. It also looks good using piecing techniques and beading.*

## GLOSSARY

**BASTE** - Machine or hand sew using 5mm length stitch or use Fusi-Web (fusible web tape) to fuse in place.

**EDGESTITCH** - On right side, stitch close to finished edge or seam.

**STAYSTITCH** - Using smaller stitches, sew on seamline of seam allowance.

**TOPSTITCH** - A line of visible stitching emphasizing structural lines of garment while working to keep seams and edges flat and crisp. Use standard stitch length. On right side, stitch  $\frac{1}{4}$ " from edge, seamline, or as directed.

## FABRIC CUTTING LAYOUT

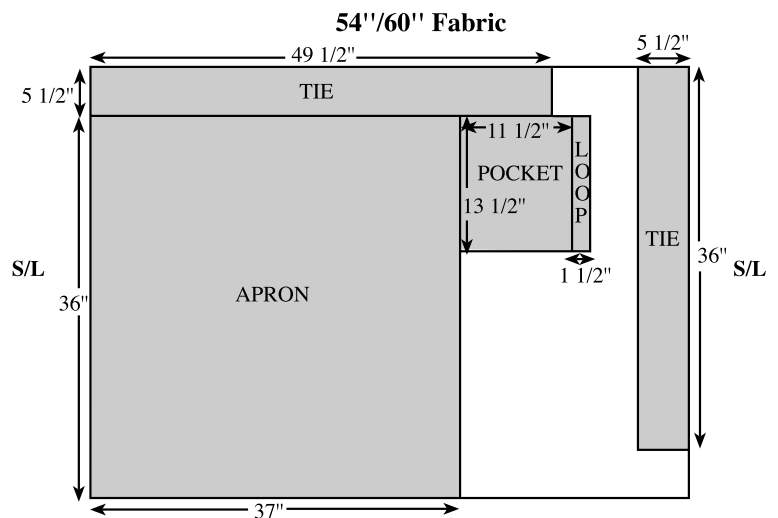

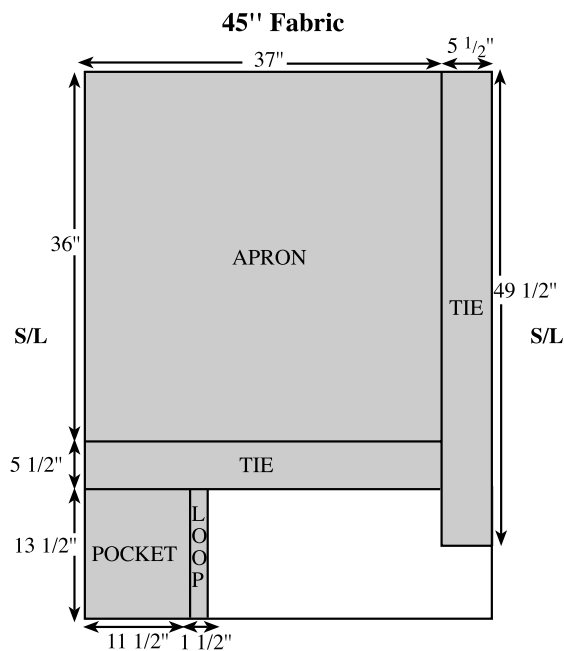

Place pattern pieces on straight grain of fabric, keeping line parallel to selvage. Cut all pieces along cutting line.

Mark all placement lines on WRONG side of fabric.

All layouts are for "with nap". Cutting layouts show approximate position of pattern pieces.

All seam allowances are  $\frac{1}{2}$ ", unless otherwise indicated.
