

# THE SEWING WORKSHOP

## PATTERN COLLECTION

### Create-Your-Own-Stripes Infinity Scarf

Create your own stripes using 5 simple strips of knit attached to a knit tube.

#### Supplies:

Tube: 1/3 Yard Medium-Weight Knit

Knit Strips: 1/4 Yard Lightweight Knit

Fusi-Web or Iron-on Tape

Thread (2 colors: Scarf Fabric & Stripe Fabric)

#### Measurements:

Knit Tube or 60" Width Medium-Weight Knit (Organic Fleece, Double Knit, Jersey)  
11" x Full Width (29" tube diameter or 60" width)

5" Lightweight Jersey

Five 1" Stripes of Knit x Full Width (57"-60" width)

#### Construction:

1. Draw a chalk line along width of **Tube**, starting 1" from raw edge. Each **Strip** is separated by 1".
2. Cut a 29" strip of Fusi-Web. Cut along length of webbing creating two thin strips. Fuse Fusi-Web along chalk line. See Fusi-Web Instructions below.
3. Your **Knit Strips** should be 1" wide. Place each **Knit Strip** along chalk line. Fuse each **Knit Strip** to **Tube**.
